---

### Work experience

---

04/2019 - 07/2020

#### Job Captain

##### *PLIRIS Design Studio, Las Vegas NV*

Designed and assembled construction document sets, delegated work assignments to project team members, provided coordination between engineering disciplines, reviewed drawings for building code and accessibility compliance, communicated with clients, city officials, and vendors.

Worked on a variety of new construction projects: commercial centers, self-storage warehouses, and automotive buildings like quick-lanes and car dealerships for Team Ford. Also worked on tenant improvement projects for business offices, hospitality, dispensaries, convenience stores, and beauty salons.

##### Project Examples:

- U-Haul of Tule Springs at E Deer Springs Way and N 5th St, North Las Vegas - new construction
- Team Ford Automotive Buildings - new construction: Bronco Barn, Quick Lane, and Car Storage on Rancho, and Lincoln Dealership remodel on Drexel Rd for the same client

04/2015 - 06/2017

#### Senior Designer

##### *Forte Specialty Contractors, Las Vegas NV*

Worked for the general contractor on interior remodeling design-build projects for casinos and theme parks. Developed and produced design documents based on Design Concept provided by the client, from schematic design and 3D modeling to construction documents, shop, and fabrication drawings. Also worked on high-end feature wall and animatronics projects.

##### Project examples:

- Guardians of the Galaxy theme pavilion, Disney California Adventure, Anaheim CA – interior remodeling, design-build project, coordinated with Disney Imagineering,
- Tryst/ Intrigue at Wynn Las Vegas - interior remodeling construction project,
- Seven Floral Displays at Wynn Palace Cotai Resort, Macau, China - removable stainless steel structure animatronics sculptures, floral design by Preston Bailey.

10/2014 - 04/2015

#### Senior Designer

##### *Engineered Wall Systems Midwest, Munster IN*

Provided building enclosure engineering services that included developing the metal panel façade layouts, assembly plans, detailing, shop drawings, estimating, cost control, take-offs, 3D modeling, and communication with the architect, suppliers, and sub-contractors.

##### Project examples:

- Ethos Dental Office, Munster, IN – interior remodeling design/build project,
- Park Plaza Senior Living, Chicago, IL - building enclosure engineering.

10/2012 - 10/2014

#### Senior Designer

*The Hill Group - Hill Architectural Systems, Chicago IL*

Designed and developed facade layouts, assembly plans, details, and shop drawings for building enclosures, coordinated the work with architectural companies and general contractors such as Exp. and Turner Construction, as well as with subcontractors and suppliers, in a general contractor or subcontractor role.

Project examples - building enclosure engineering:

- Lycée Français de Chicago
- 1611 West Division, Chicago IL
- Western Illinois University - Riverfront Campus, Moline IL.
